

Welcome

Spring Convention is a great time to meet up with friends, make new ones, share fellowship together and learn more from God's Word. As we are in or approaching retirement, we have had many life experiences and may have worked out the Ageless Truth of Life. However, there is always more to learn in our spiritual journey and it is our privilege to have **David Cook** with us as he shares four truths from the Bible which do not change.

This year we will be enjoying the new facilities in the Hope Centre for meals and accommodation (an available option).

The program will include inspirational messages from David, praising and worshipping God as we enjoy music from all ages, seminars on relevant topics, a bookshop for you to browse, good food and recreational activities. Come yourself and bring a friend!
